

YOUR GIFT: \$500,000 FAMILY GAME ROOM

Your Legacy

- Name recognition prominently displayed in the Family Game Room.
- Donor spotlight announcement in a press release to media outlets and featured on Respite Transformed Campaign website.
- Opportunity to attend the ribbon cutting ceremony and capture a family portrait on the campus to acknowledge your family's legacy of support.

Your Impact

Introducing the Family Game Room, nestled on our third floor and dedicated to providing respite for families facing cancer. Here, families will find a haven where they can come together, bond, and create cherished memories that will last a lifetime.

Our game room will be a treasure trove of classic entertainment, featuring billiards, pinball machines, skee-ball, and an extensive library of nostalgic card and board games. But more than just a room filled with games, the Family Game Room will be a place where adults can tap into their inner child, reliving the joy of tech-free, distraction-free gameplay. It's an opportunity for parents and caregivers to connect with their children in a meaningful way, removed from the pressures of daily life and medical challenges.

In this welcoming environment, friendships will blossom among adults, children, and teens who may be meeting for the first time. Shared laughter and friendly competition will foster bonds that transcend the boundaries of illness, offering much-needed companionship and support.

Within the walls of the Family Game Room, time will seem to slow down as families immerse themselves in moments of joy and camaraderie. Laughter will fill the air, cheers will resound, and high-fives will be exchanged, creating a space where worries fade away and happiness reigns supreme.
