## *Your Impact*

Presenting The Labyrinth, nestled in the tranquil southwestern corner of our campus, providing families with a serene oasis accessible via paved walking paths from both the Respite Center and parking lots. This labyrinth offers a unique opportunity for families to embark on a journey of self-discovery and renewal through the practice of walking meditation.

As families traverse the winding paths of the labyrinth, they are invited to quiet their minds and find respite from the stresses of daily life. The rhythmic motion of walking encourages relaxation, helping to calm anxieties and restore balance amidst the challenges they face.

By engaging in the meditative practice of walking the labyrinth, families can experience a profound sense of stress reduction and renewal. Each step taken becomes a mindful journey towards inner peace and healing, fostering a sense of calm and well-being that transcends the boundaries of illness and adversity.
