The Music & Library Room will be a sanctuary within our space designed to offer families a tranquil retreat where they can unwind and find solace amidst the challenges they face. This special room will provide comfort and respite:

Music has a unique ability to touch our souls and ease our burdens. In the Music & Library Room, FPS families will discover the therapeutic power of music, with a piano inviting them to create melodies and sing along to familiar tunes. Additionally, a cozy seating area will offer the opportunity to immerse oneself in the restorative sounds of music through headphones, providing a welcome escape from the stresses of everyday life.

Surrounding visitors with the timeless allure of literature, the walls of the room will be adorned with shelves of books, each one holding the promise of an unknown journey of healing. Whether escaping into a captivating story or delving into the depths of knowledge, reading offers a simple yet profound way to engage the mind and soothe the spirit. In this tranquil space, families can find comfort and inspiration within the pages of a book, fostering moments of reflection and renewal.
