

# YOUR GIFT: \$30,000 **GIVING LIBRARY FOR CHILDREN**

## *Your Legacy*

- Name recognition on a sign place near the bookshelves of the children's library, which are contained in the Music & Library Room on the Main Floor of the Respite Center.

## *Your Impact*

We believe in the power of stories to inspire, comfort, and heal. Our Giving library will be a safe space designed to offer children access to a wide range of books—both timeless classics and stories tailored to help them navigate the challenging emotions that come with a parent's cancer diagnosis.

Our collection will include beloved children's books that have sparked imaginations for generations. From whimsical tales of adventure to heartfelt stories of friendship and courage, these classics encourage a love of reading and provide a sense of wonder.

We will also offer carefully selected books that address the unique challenges children may face when a parent is diagnosed with cancer. These stories are meant to support, comfort, and help children process their feelings during this difficult time. Whether through narratives about resilience, understanding illness, or finding hope in dark moments, our books provide a gentle way for children to make sense of their emotions and strengthen their coping skills.

All books in our Music & Library Room will be available for free, allowing families to borrow what they need with no strings attached. We hope to provide not only a moment of escape but also the tools children need to better understand and navigate their experiences with love and support.

We anticipate gifting over 1,000 children's books annually through the Children's Giving Library at the For Pete's Sake Cancer Respite Center.
