

Dear FPS Supporter,

I am writing to share an exciting opportunity to support a meaningful cause. For Pete's Sake Cancer Respite Foundation is embarking on a project to build a cancer respite center at the Lodge at Woodloch located in Hawley, PA. This center will provide much-needed respite and support to cancer patients and their families during their challenging journey.

I am pleased to inform you that Essent Guaranty, Inc. has committed \$1 million to support this project. In addition to this generous contribution, Essent Guaranty has been providing annual gifts and employee volunteer efforts. I am proud to mention that I serve as Treasurer on the For Pete's Sake board, further demonstrating our commitment to this cause.

I believe that your support would greatly enhance the impact of this project and help make a difference in the lives of cancer patients and their families. Your contribution would not only provide financial support but also serve as a testament to your commitment to improving the well-being of others.

I hope you will consider supporting this worthy cause. Thank you for your time and consideration.

Sincerely,

Joseph J. Manion, Jr.
VP, Treasurer
