Your Legacy

- The exclusive naming of the 32 acres of the Campus at the For Pete's Sake Cancer Respite Center.
- Name recognition on three proposed locations: prominently displayed on signs located at the northern and southern side of the campus and in digital format in the vestibule.
- Name recognition in all media and social publications extending reach throughout the Northeast and Mid-Atlantic regions.
- Name recognition in correspondence with donors, patients, caregivers and health care professionals in perpetuity, providing exposure to thousands annually in paper and digital form.

YOUR GIFT: \$5,000,000 THE RESPITE CENTER CAMPUS (CONT.)

Your Impact

- The campus is thoughtfully designed to harmonize the serene elements of nature with soothing, recreational activities, providing families with a nurturing atmosphere that promotes rest, rejuvenation, and connection.
- The building and surrounding campus blend seamlessly with the natural environment, thoughtfully integrated into the landscape. Guests will find ample outdoor spaces for gentle exercise, including paved walking trails, designated areas for yoga and meditation, and comfortable seating throughout, all designed to offer stunning panoramic views of the Pocono Mountains.
- The east side of the campus will feature a daily flag-raising ceremony, a symbol of unity and pride. Nearby, our amphitheater, adjacent to the chapel, will host a variety of educational, spiritual, and entertainment programming, offering families opportunities to come together, learn, and connect.
- At the heart of the campus, our community courtyard serves as a central gathering space, offering a peaceful retreat where families can unwind by the soothing sounds of a babbling brook, find tranquility in a butterfly garden, and enjoy the warmth of fire pits as they relax together.
